The Candidate: a Political Romance

Discovery, Endeavour and Atlantis could continue to fly beyond given the appropriate funds, but some experts agree that the vehicles' retirement is necessary to pave the way for the construction of more-sophisticated spacecraft, including ones to explore farther out into the solar .

Y: The Last Man: Book Three

Complete anarchy reigned at the time due to considerable discrepancy between actual pronunciations and the highly complex writing conventions upheld by both sinologists and philologists from the Japanese tradition. In the face of my astonishment, he explained himself saying that the cat could hear in the same mode as he did.
