Who Will Do the Science of the Future?: A Symposium on Careers of Women in Science

A crowd is attracted by Triboulet's cries and believes he has killed someone, but a woman stops them taking him away. It worked.

Who Will Do the Science of the Future?: A Symposium on Careers of Women in Science

A crowd is attracted by Triboulet's cries and believes he has killed someone, but a woman stops them taking him away. It worked.

Business Secrets of Steve Jobs

It explores the development of the contemporary novel in English by focusing on two important periods for the development of the English narrative: the 's or the so-called Modernist literature; and the post-war period that yields to the decolonization process and the beginning of postcolonial movements. In this fiction, history like fiction is regarded as a human construct insofar as the reality of the past did exist but is accessible to us only through textualisation.

The Faculty of Decadence: Sarah and Brenda Take on the Cliques

Paradise Regained: The Regreening of Earth How humans might use the resources of the solar system for terrestrial benefit, allowing civilization to live in harmony with the environment.
