Revolutionaries: Contemporary Essays

He used this new term to contrast the democratic socialism which he wanted to promote in Latin America, from the Marxist-Leninist socialism that had been spread by socialist states like the Soviet Union and the People's Republic of China during the 20th century, arguing that the latter had not been truly democratic, suffering from a lack of participatory democracy and an excessively authoritarian governmental structure. If the holiday festivities have left your body aching and your head pounding, yoga may bring relief.
